One, two, one, two, three,  
Open your book and learn with me.  
Four, five, four, five, six,  
Sit at the desk and watch some tricks.

### **Train**

Chuff, chuff, the train is long.  
Many people come along.  
Chuff, chuff, count for me  
Every carriage you will see.

### **Rain, rain**

Rain, rain, go away,  
Come again another day.  
Brother wants to play,  
Rain, rain, go away.

### **Look**

Look at my ear, it is near.  
Look at the star, it is very far.  
Very near is a rose, I can smell with my nose.  
Over there, far, I can see a car.

### **My jacket**

Whoosh! Whoosh! The wind blows.  
Whoosh! Whoosh! It blows the clothes.  
Oh no! Look! My jacket!  
Look! My jacket! Whoosh! Whoosh!

### **Twinkle, twinkle little star**

Twinkle, twinkle little star,  
How I wonder what you are !  
Up above the world so high,  
Like a diamond in the sky.  
Twinkle, twinkle little star,  
How I wonder what you are !

### **Incy Wincy Spider**

Incy Wincy Spider  
Went up the water spout.  
Down came the rain and washed the spider out!  
Out came the sun and dried up all the rain.  
Incy Wincy spider  
Went up the spout again!

### **Up and down**

Up and down and turn around,  
Up, down, turn around.  
Shake your head and touch the ground,  
Now be quiet! Don't make a sound!  
Up and down and turn around,  
Up, down, turn around.  
Shake your leg and touch the ground.  
Now be noisy! Make a big sound!

### **My house**

This is my house,  
This is the door!  
The Windows are clean,  
And so is the floor!  
Outside there's a chimney,  
As tall as can be,  
With smoke that goes up, come and see!

### **Colours**

Roses are red,  
the sky is blue.  
Pink are the laces  
In Jenny's shoes.  
The grapes are purple,  
Yellow is the sun.  
White is the T-shirt  
With number one.

### **If all the world**

If all the world was Apple pie,  
If all the sea was ink,  
If all the trees were bread and cheese,  
What would we have to drink?  
It's enough to ask an old man  
To scratch his head and think.

### **The pet show**

I've got a small, white mouse  
And a big black cat.  
I've got a fat, orange fish.  
She's called Pat.  
I've got a big, grey rabbit  
I've got a long, green snake.  
I've got a big, green bird.  
He's called Jake.

### **The clock**

Ding dong, ding dong

Sitting in a tree  
Teasing Mr.Crocodile:  
" You can't catch me."

And one for the little boy  
Who lives down the lane.

### **My Teddy-bear**

My Teddy-bear's fur is soft and brown,  
His legs are short and fat.  
He walks with me all round the town  
And never wears a hat.  
My Teddy keeps me warm in bed  
I like his furry toes,  
I like his darling little head,  
His pretty little nose.

### **Monday's child is fair of face**

Monday's child is fair of face  
Tuesday's child is full of grace,  
Wednesday's child is wise but slow,  
Thursday's child has far to go,  
Friday's child is loving and giving,  
Saturday's child works hard for his living,  
And the child that is born on Sunday  
Is fair, wise, and good every day.

### **Miss Polly had a dolly**

Miss Polly had a dolly  
Who was sick, sick, sick  
So she phoned for the doctor  
To be quick, quick, quick.  
The doctor came  
With his bag and his hat  
And he rapped at the door  
With a rat-a-tat-tat  
He looked at the dolly  
And he shook his head.  
Then he said, "Miss Polly,  
Put her straight to bed."  
He wrote on a paper  
For a pill, pill, pill.  
"I'll be back in the morning  
With my bill, bill, bill."

### **Mary had a little lamb**

Mary had a little lamb,  
Its fleece was white as snow.  
And everywhere that Mary went,  
The lamb was sure to go.  
It followed her to school one day,  
Which was against the rule.  
It made the children laugh and play,  
To see a lamb at school.

### **The pirate's treasure**

The pirate's life is the life for me  
Sailing over the seven seas.

In the morning I make the breakfast,  
I clean the kitchen and dry the dishes.  
I work and work all day long,  
And as I work they sing this song.

The pirate's life is the life for me  
Sailing over the seven seas.

In the afternoon I clean the ship,  
I wash the clothes and climb the mast.  
I work and work all day long,  
And as I work they sing this song.

The pirate's life is the life for me  
Sailing over the seven seas.

In the evening I clean the shoes,  
I have my supper and then I go to bed!

### **This is the way**

This is the way I wash my face,  
wash my face, wash my face.  
This is the way I wash my face  
At seven o'clock in the morning.

This is the way I clean my teeth,  
clean my teeth, clean my teeth.  
This is the way I clean my teeth,  
At eight o'clock in the morning.

This is the way I comb my hair,  
comb my hair,  
comb my hair .  
This is the way I comb my hair,  
At eight o'clock in the morning.

This is the way I go to school,  
go to school,  
go to school  
This is the way I go to school,  
At nine o'clock in the morning.

### **Hippety hop to the grocer shop**

Hippety hop to the grocer shop  
To buy a juicy pear  
One for you and one for me  
And one for the teddy bear.

Jumpity jump to the grocer shop  
To buy a juicy apple  
One for you and one for me  
And one for the teddy bear.

March, march, march to the grocer shop  
To buy a juicy strawberry  
One for you and one for me  
And one for the teddy bear.

### **On the grass**

On the grass there is a plant.  
Flower, it is one its part.  
It is yellow, pink and red,  
Purple, orange, blue and  
White.

There are more parts  
You must know,  
With the flower  
The parts are four.

On the grass there is a plant.  
Leaf is also one its part.  
It is green, red, yellow,  
Brown,  
When there is not too much  
Sun.

There are more parts  
You must know,  
With the leaf  
The parts are four.

On the grass there is a plant.  
Root is also one its part.  
It is under the ground in the dark  
Long, brown, busy as a shark.  
There are more parts  
You must know,  
With the root  
The parts are four.

On the grass there is a plant.  
Stalk is also one its part.  
It is dark green, light green, too  
It is wearing root not shoe.

Flower, stalk, root and leaf  
These are parts  
Which all plants need.
